## 2011 SOUTH END OPEN STUDIOS

**Saturday, September 17 11am – 6pm**

**Sunday, September 18 11am – 6pm**

This two-day event is a unique opportunity for the public to see what artists throughout the South End have been working on for the past year. For artists it is an opportunity to meet the public, share work with them and, perhaps, make a few sales!

**We have two information areas that provide an entry point for many of the 10,000 visitors, especially those who are visiting for the first time. This is where you come in! Volunteers staff these areas to answer questions and to direct visitors to the various sites and to specific artists.**

Staffing an Information Area not only helps the public it is actually FUN. Shifts are four hours and we always make sure there are at least two volunteers in each area per shift.

We ask that you fill out the information below and get it back to us no later than Thursday, September 10th. We will call or email you to confirm your shift and location.
