SOUTH END OPEN STUDIOS SEPTEMBER 18 & 19, 2004

Dear Friend:

South End Open Studios is coming soon. This two day event is a unique opportunity for the public to see what artists throughout the South End have been working on for the past year. For the artists it is our opportunity to meet the public, share our work with them and, perhaps, make a few sales!

South End Open Studios draws over 8,000 people to the neighborhood. We have three information areas that provide an entry point for many of our visitors, especially those who are visiting for the first time. Volunteers staff these areas to answer questions and to direct visitors to the various sites and to specific artists.

Staffing an Information Area not only helps the public it is actually FUN. Shifts are four hours and we always make sure there are at least two volunteers in each area per shift.

We ask that you fill out the information below and get it back to us no later than Friday, September 10th. We will call or email you to confirm your shift and location.
